

Hi All,

I know of approx 12 people who have expressed an interest in doing a VHF course at TYC, which means I will run two separate classes with ideally six people in each. I will try and run one class before Christmas and one after.

So the reason for e-mailing you is to find out whether you are still interested and whether the following dates would suit:-

Thursday evenings 17 Nov / 24 Nov / 1 Dec / 8 Dec.

Each class starts at 7:00 pm and finishes approx 9:30 pm

If you cant make these dates the alternative would be a class in Jan 2012 (either on Monday or Thursday evenings) probably starting second week in Jan.
