- Inexpensive moorings for both dinghies and motor cruisers
- Dinghy racing every week in a superb setting. Those without experience or a boat can crew other members
- At least 12 cruising events and fun days each year
- Club dinghies are available for new members to experience the river at a small charge

# Benefits of Membership

- There are a number of motor cruiser moorings available by arrangement with the club's harbour master
- A well stocked bar is available when the club is open
- The club and bar are available to members for use for private parties (marquee also available)
- There are occasional Wednesday evening lectures
- Various social events such as the moules evening, quiz nights and many more
- Annual club ball and prize giving
- Numerous club suppers and annual regatta Bar-B-Que
- Lifeboat week racing for charity
- An annual opportunity to visit our sister club at Keyhaven for a week's racing on the south coast
- Occasional sailing on the South Coast on larger yachts to which members have access
- Meet members from other clubs at our open day racing events
- Most of all, almost 250 other members to share this with!
